

Dear Representative Angie Craig:

All human life should be lived in accordance with the principles established by God for the life of people and of nations. This is a basic emphasis in all communities of faith. I thank you for your service to my community and the nation as a whole. As a resident of your district, I want to ask you to help make this community and nation welcoming and safe for new immigrants by supporting Comprehensive Immigration Reform that includes:

- ▶ Opportunities for hard-working immigrants to regularize their status, pursue an option to become permanent residents;
- ▶ Reform in our family-based immigration system to significantly reduce waiting times for separated families;
- ▶ Creation of legal avenues for workers and their families who wish to migrate to the U.S.
- ▶ Humanitarian border protection policies

Sincerely,

Representative Angie Craig

Please keep America open and safe for immigrants who, like my own family, work hard to help build America's future.
